A. Free Wi- Fi Services at every Community Center in Tokai-mura

All community centers are offering free Wi- Fi services. If your computer or smartphone has wireless LAN application (Wi-Fi), you are able to have internet access for free. And an emergency source supply will be set up in the case of a large-scale disaster, so you may use the free Wi- Fi for safety confirmation.

To use the free Wi-Fi service, you need to be certified by your e-mail address and the valid duration of certification is for 6 months from the date of your last use. It would be better if you get certified in advance for the smooth service application in emergencies.

For more details, please visit the webpage below.

<http://freespot.com/users/tejun/howto.html>

Notice: Available time of the service is the same as the open hours of the community center. We can't support or give any advice how to connect, about your computer or anything else. You are not able to use the power source of the community center.
