3. Distribution of Stable Iodine Tablets

Stable iodine tablets will be distributed to residents who live in Tokai Village by Ibaraki Prefecture and Tokai Village.

[People who were born or have moved to Tokai Village from 1 June 2019]

In order to receive stable iodine tablets, participation in the distribution meeting is required and a set of information papers should be brought to the meeting. All the information papers will be sent out around 10 Jan. 2020.

[People who have never received, or have kept expired stable iodine tablets]

In order to receive stable iodine tablets, participation in the distribution meeting is required and a set of information papers should be brought to the meeting. All documents have already sent out in Jul. 2019.

*You can print out a check sheet from the Tokai Village official website.

What is a stable iodine tablet?

A stable iodine tablet is a prescribed product for preventing radioactive deficiency by radioactive iodine. The stable iodine tablet will be distributed in advance and taken quickly in case of a nuclear disaster.

Date and Time:

- 1) Wed. 22 Jan. 11:00 a.m. - 6:30 p.m.
- 2) Sun. 9, Fri. 14 Feb. 9:00 - 11:30 a.m., 1:00 - 4:30 p.m.

Place: Tokai Village Office 5F for the date 1), Tokai Welfare Center “Kizuna” for the date 2)

Others:

- If you lost the documents, please ask for new ones at the reception desk on that day.
- If you have already received the explanation about stable iodine tablets, the explanation can be omitted by checking the “explanatory contents reconfirmation filed” at the back of the numbered ticket.
- If you have received the stable iodine jelly and have a child who is 3 years old or above, the jelly should be returned.
- A household representative (18 years old and above) can receive stable iodine tablets for all the members of the family. In that case, the household has to bring the numbered tickets, the check sheets and the old stable iodine tablets or jelly (if your child is 3 years old or above) of the family.
